List of MKCL iLike Credit Courses

One Credit Courses (30 hours)

Credit Level: 4.5

Sl. No.	Track	Name of the Credit Title	Credit Level
1	Financial Accounting	1. Understanding the Foundation of Financial Reporting: Accounting Principles and Concepts	4.5
2	Financial Accounting	2. Business Operations Insight: Inventory Management, Costing, and GST with Tally Software	4.5
3	Financial Accounting	3. Practical Case Studies in GST Reporting and Financial Management	4.5
4	Financial Accounting	4. Utilizing Excel for Data Entry and Analysis: Formulas, Functions, Conditional Formatting, and Pivot Tables	4.5
5	Data Science	1. Fundamentals of Excel, Formulas, and Functions	4.5
6	Data Science	2. Advanced Excel: Formulas, Scenarios, Pivot Tables, and Charts	4.5
7	Data Science	3. Data Analysis and Visualization Techniques using Excel	4.5
8	Data Science	4. Automation with Excel Macros and VBA Programming	4.5
9	Back Office	1. Introduction to Data Management and Typing	4.5
10	Back Office	2. Data Analysis Techniques using Microsoft Excel	4.5
11	Back Office	3. Utilizing Free and Open-Source Tools for Effective Data Management	4.5
12	Back Office	4. Data Visualization and Automation Strategies	4.5
13	Back Office	1. Introduction to Google Workspace	4.5
14	Back Office	2. Advanced Techniques in Google Workspace	4.5
15	Back Office	3. Multilingual Communication using Google Workspace	4.5
16	Back Office	4. Leveraging Google Workspace for Business and Productivity	4.5
17	Digital Designing	1. Fundamentals of Image Editing	4.5
18	Digital Designing	2. Advanced Image Editing Techniques	4.5
19	Digital Designing	3. Photo Restoration Methods	4.5
20	Digital Designing	4. Creative Effects and Artistic Enhancements in Image Editing	4.5
21	Digital Creative Art	1. Introduction to 3D Modeling and Computer-Generated Imagery (CGI)	4.5
22	Digital Creative Art	2. Advanced Techniques in 3D Modeling	4.5
23	Digital Creative Art	3. 3D Modeling for Freelance Artists and Content Producers	4.5
24	Digital Creative Art	4. The Evolution of CGI: From 3D Models to Photorealistic Renderings	4.5
25	Digital Creative Art	1. Foundations of CGI: From 3D Movie Watching to Entering the CGI Industry	4.5

List of MKCL iLike Credit Courses

Sl. No.	Track	Name of the Credit Title	Credit Level
26	Digital Creative Art	2. Mastering 3D Lighting Techniques: A Comprehensive Guide from Basics to Advanced Rendering	4.5
27	Digital Creative Art	3. Texturing Mastery in 3D Art: From Primitive Objects to Complex Scenes and Beyond	4.5
28	Digital Creative Art	4. The Evolution of CGI: Exploring Career Paths, Industry Insights, and the Story of Computer-Generated Imagery	4.5
29	Front Office	1. Digital Literacy Fundamentals	4.5
30	Front Office	2. Introduction to MS Office Tools	4.5
31	Front Office	3. Use of Digital Skills for Daily Life, Study and Citizenship	4.5
32	Front Office	4. Digital Skills for Personal and Professional Growth	4.5
33	IT Hardware, Networking & Cyber Security	1. Introduction to Operating Systems and System Installation	4.5
34	IT Hardware, Networking & Cyber Security	2. Computer Networking and Hardware Connectivity	4.5
35	IT Hardware, Networking & Cyber Security	3. Storage Devices, Printers, and Hardware Installation	4.5
36	IT Hardware, Networking & Cyber Security	4. Laptop and Mobile Device Hardware, Troubleshooting, and Safety Procedures	4.5
37	IT Hardware, Networking & Cyber Security	1. Installation and Configuration of PC and Laptop Hardware Components	4.5
38	IT Hardware, Networking & Cyber Security	2. Troubleshooting and Management of PC and Laptop Hardware	4.5
39	IT Hardware, Networking & Cyber Security	3. Design and Configuration of IT Networks	4.5
40	IT Hardware, Networking & Cyber Security	4. Management and Maintenance of Wired and Wireless IT Networks	4.5
41	Services Management	1. Understanding the Retail Sector and its Terminology	4.5
42	Services Management	2. Marketing and Sales Management in Retail	4.5
43	Services Management	3. Retail Operations and Customer Service	4.5
44	Services Management	4. Exploring Retail Entrepreneurship	4.5
45	Services Management	1. Indian Financial Systems and Banking Products Overview	4.5
46	Services Management	2. Taxation, Tax Planning, and Investment Opportunities in India	4.5
47	Services Management	3. Investment Opportunities for Individuals in the Indian Market	4.5
48	Services Management	4. Effective Communication in Customer Service and Career Paths in the Banking Sector	4.5
